1. This constitutes an order for wedding photographs and images on uab(s). It is understood that any and all proofs, sample prints, and digital negatives (memory cards) remain the property of the photographer, (Carolyn Budreski Photography Inc), and they may be used for advertising, display or any purpose thought proper by Carolyn Budreski Photography Inc.
2. In the unlikely event that the photographer is unable to photograph the event, for any reason beyond her control (illness, injury, family emergency, etc), Carolyn Budreski Photography Inc will make every reasonable effort to secure a replacement photographer. If the situation should occur and a suitable replacement is not found, responsibility and liability is limited to the return of all payments received for this wedding photography package. In the event that an unavoidable film booking occurs, an associate photographer of same or higher skill & equipment level would be substituted, or refund of retainer offered.
3. Carolyn Budreski Photography Inc takes great care with respect to the exposure, storage, processing and delivery of the images. If, in the unlikely event photographs are lost, destroyed, or stolen for reasons within or beyond Carolyn Budreski Photography Inc's control, Carolyn Budreski Photography Inc's liability is limited to the return of all payments received for this wedding photography package. The limit of liability for a partial loss of originals shall be a pro-rated amount of the exposures lost based on the percentage of total number of originals.
4. Images captured are on a "personal use" basis. You may print and share your photos via email and social networking sites, however you may not resell or use your images for any commercial use, or grant commercial use rights to any third party. Permission must be granted by (Carolyn Budreski Photography Inc), prior to any modification of any image.
5. With packages, a deposit (retainer) of 25% of total purchase price (purchase price+gst) is due at signing of this contract, with the remainder to be paid on or before the wedding day.
6. Upon Signature, the photographer (Carolyn Budreski Photography Inc), reserves the time and date agreed upon, and will not make other reservations for that time and date. For this reason, all deposits are non-refundable, and non-transferrable, even if date is changed or wedding cancelled for any reason.  
**Initial:** \_\_\_\_
7. Bride & Groom agree to the package listed, and may not change this package to a package of lesser value at a later date. (Bride & Groom may however change package for a package of higher value at a later date, and the balance owing will be adjusted to reflect the new package).  
**Initial:** \_\_\_\_
8. Meals: I suggest that a suitable meal (not necessarily the banquet meal served to guests) be provided for the photographer(s) if photo coverage extends through the dinner hour.
9. If any person during the event is hurt due to an accident from the Photographer's equipment such as lights, cases, cords, or other equipment including the Photographer him/herself, the Photographer is not liable for any physical or emotional damage.

10. Because you are hiring me, a professional photographer, to capture your wedding photos, I reserve the right to (politely & discreetly) ask other guests to respect my creative space, if necessary. Candid photos are ok, and photos taken from the guest's seat are ok. Shooting over my shoulder is not ok.

11. Your wedding coverage includes: \_\_\_ consecutive hours wedding coverage, all high resolution images on disc(s), \_\_\_ re-touching credits, and for 6+hour day weddings, a 1hr engagement shoot within the City of Calgary. (Mileage rates apply for engagements outside of Calgary). This photo shoot must be used within one (1) year of the wedding date. This credit may also be exchanged for a \$100 discount off of newborn photos, if used within one year of the wedding date. Your retouching credits must be used within one (1) year of the wedding date. I will make our very best effort to accommodate any and all reasonable requests. These retouching credits are not transferrable, exchangeable, or redeemable for cash. Retouches can take up to 6 months to be processed.
